A unique opportunity for research career in Science & Technology

CSIR-Indian Institute of Toxicology Research (CSIR-IITR), Lucknow, a constituent laboratory of the Council of Scientific and Industrial Research (CSIR), was established on November 4, 1965. It is the only institute of toxicology in the country contributing towards cutting-edge research and innovation. The Institute motto is “Safety to Environment and Health and Service to Industry”. CSIR-IITR works on the “Institution First” policy and encourages its team members to develop mega inter- and intra- institutional projects having translational values, societal impact and institutional image building.

CSIR-IITR has stronghold in the R&D domains of FEST (Food, Drug & Chemical, Environment and Systems Toxicology), ASSIST (Analytical Sciences & Services, Industrial Support through Technological Solutions) and REACT (Regulatory and Computational Toxicology, Epidemiology and Bio-statistics). While FEST comprises of all basic R&D laboratories, ASSIST has the industry support laboratories including the translation centres and knowledge marketing services. The labs associated with GLP and NABL testing services come under the umbrella of REACT.

CSIR-IITR has world class infrastructure and human resources in toxicology and providing one stop solution to address environment and health issues. CSIR-IITR has been at the forefront towards contributing to the research for policy and has provided inputs towards many policy documents, guidelines, and BIS/ISO standards. CSIR-IITR also provides a healthy innovation ecosystem through its “*Technology Development and Innovation Centre*” supported by BIRAC-BioNEST and DSIR-CRTDH. To know more about the Institute please visit <http://iitrindia.org>.
